

CALL FOR PAPERS

International Conference on Agrotechnology,
Beverage and Food

ICABF2023

conference.utb.edu.bn/icabf2023

23-25 October 2023

Universiti Teknologi Brunei

Bandar Seri Begawan, Brunei Darussalam

Technology for Future Agriculture, Beverage and Food Manufacturing

International Conference on Agrotechnology, Beverage and Food creates an opportunity for exchanging the science and technology developments in "Agrotechnology", "Food and Beverage", and "Nutrition and Wellbeing". The conference will be held for 3 days from 23rd to 25th October 2023 in conjunction with the "International Congress on Technology" that is organised by Universiti Teknologi Brunei (UTB).

Keynote speeches, plenary lectures, verbal and poster presentations, and exhibition will provide recent innovations, practical challenges and solutions to the challenges in the fields of food, beverage, human nutrition and agrotechnology. The participants will have a good networking and collaboration opportunity while attending the conference and sharing the science and technology need for future food production and security.

Conference Topics

- Advances in agrotechnology and applications
- Agribusiness
- Agroecology
- Agriculture biotechnology
- Agricultural mechanization and automation
- Agriculture processing
- Agricultural waste management
- Agricultural entomology and pest management
- Agroforestry and landscaping
- Agronomy
- Animal and plant environment
- Apiculture
- Aquaculture engineering
- Bioinformation system
- Bioprocess and environment
- Climate change
- Computational food science
- Crop production
- Dairy technology
- Digital Agriculture
- Farm structure
- Farm tools and machinery
- Food and beverage processing
- Food standard, safety and security
- Green house technology
- Halal food safety and processing
- Livestock farming and poultry
- Nutrition, health benefit and wellbeing
- Packaging, science and technology
- Particle and powder technology
- Post-harvest technology
- Precision agriculture
- Process control and integration
- Process modeling and simulation
- Quantitative agriculture
- Safety and health in agriculture
- Soil and water engineering
- Smart farming

Submission & Publication

Prospective authors are requested to submit their full papers (6-8 pages; [template](#)) at <https://easychair.org/conferences/?conf=icabf2023>. All papers will go through peer review and the authors whose papers are accepted for presentation will receive an invitation letter from the Conference Secretariat. At least one author of the accepted paper must register and present the paper during the conference. Selected papers of the conference will be submitted to a special issue of the journal: ASEAN Journal on Science and Technology for Development (Scopus Indexed).

- ! A special invitation goes out to authors from the industry to submit a 1-Page extended abstract to be considered for oral presentation only. However, if full paper is submitted, accepted and presented in the conference, it will be published in Conference Proceedings.

Important Dates

Full Paper Submission	15 September 2023	Camera-Ready Paper	8 October 2023
Notification of Acceptance	30 September 2023	Submission Deadline	

Registration Fees

Early Bird Registration	USD 280
Regular Registration	USD 300
Registration for 2 nd Paper	USD 150
Non-Presenter Registration	USD 200

- The registration fee must be paid by 8 October (early bird) or 15 October (regular) 2023.
- One single registration is for only one participant to present only one paper. One set of conference kit will be provided. It will also cover participation to all technical sessions, lunch, and two tea breaks.
- If the participant has a 2nd or more papers, (s)he shall pay an additional 50% of the registration fees for each additional paper.
- Non-presenter, accompanying person or audience may participate in all sessions and will receive a certificate of participation.
- Accompanying person fee: BND 100 for local and USD 100 for international. The accompanying person is welcome to attend all technical sessions, lunch, and tea breaks.

Brunei Darussalam

Brunei Darussalam, a rainforest-covered gem nestled on the northern shores of Borneo Island, is a refreshing tourist destination that offers a richly diverse natural and cultural heritage, including the centuries-old majestic royal heritage. The sultanate, established over 1,500 years ago, comprises four districts, namely Brunei-Muara, Belait, Temburong and Tutong. The capital city Bandar Seri Begawan is in Brunei-Muara district. Brunei has 161 km of pristine coastline, adorned with a number of palm lined beaches and blue waters, besides the vast uninhabited rainforest found mostly in the Temburong district – popularly known as the 'Green Jewel' of Brunei. For further information, please visit the Brunei Tourism website at www.bruneitourism.travel.
